## FAQs

### **I am a beginner. Can I take this course?**

Yes, you can! This course has been designed to cover everything from the basics to the advanced level, ensuring a comprehensive learning experience for all.

### **Who should take this course? Is there any pre-requisite?**

Anyone can take this course; there are no prerequisite conditions except that a person should be passionate about the stock market.

### **How will we interact with the mentors for doubt resolution?**

You'll be assigned a dedicated mentor for all your doubts and queries to ensure you stay on track and achieve your goals.

### **What if I miss some sessions?**

If any of the students are unable to attend the sessions, they can go through the recorded video of the class they missed and clear the queries in the next class. Students have the option of attending the missed session in the following month as well or any other same month batch where the topic is taught.

### **Can I get the recordings of all sessions as and when it happens?**

Yes, you can get access to all the sessions recording at nominal cost of 5,000 INR for a period of 1 month.
